Important information

Please note that this document indicates third party distribution routes as at 30.09.2017. Funds may be added or removed and you should contact the relevant life company or platform wrap for confirmation of fund availability.

Before investing in the VT Seneca Investment Funds you should read the key investor information document (KIID) as it contains important information regarding the funds, including charges, tax and fund specific risk warnings and will form the basis of any investment. The prospectus, KIID and application forms are available from Valu Trac Administration Services, the Authorised Corporate Director of the Funds (01343 880344).

Before investing in the Seneca Global Income & Growth Trust, you should refer to the the Key Information Document (KID) for details of the principle risks and information on the trust's fees and expenses. Net Asset Value (NAV) performance is not linked to share price performance, and shareholders may realise returns that are lower or higher in performance. The annual investment management charge and other charges are deducted from income and capital. The KID, Investor Disclosure Document and latest Annual Report are available at <http://www.senecaim.com>
